Stephen Dorrell, MP, Parliamentary Under-Secretary of State for Health, is visiting London Docklands to launch a new health leaflet, showing the provision of health and medical facilities in the area. The leaflet, 'London Docklands Health Facilities' has been carefully planned and jointly produced by the London Docklands Development Corporation (LDDC) and the City and East London Family Health Services Authority. It will be distributed around London Docklands.

The Minister will also be visiting and viewing local medical centres including Dr Mahajann's new surgery now being built on the Isle of Dogs. The LDDC has assisted the Tower Hamlets Health Authority to provide this much needed facility for doctors, dentists and a community care centre for those with learning difficulties.
