## **LIMEHOUSE CAUSEWAY LINK ROAD COMPLETED**

**PHOTO OPPORTUNITY: 12.30pm, Monday, 7th June at the Limehouse  
Causeway entrance to the new link road**

Eric Sorensen, Chief Executive of the London Docklands Development Corporation, will "get on his bike" to open the Limehouse Causeway/Westferry Road improvement scheme on Monday, 7th June, 1993. The new link road is situated just north of the 1.8km dual carriageway Limehouse Link and south of the Docklands Light Railway.

A new set of traffic lights at the junction will help Limehouse traffic turn right into Westferry Road, while better crossing facilities for pedestrians and cyclists will be provided through special "crossing phases" on the traffic lights.

The link road will provide safer and more convenient access for local residents in Limehouse, as well as a cycle lane as part of a new cycle route being developed between Docklands and the City (to be completed in the next 12 months).
