LDDC - SOUTHWARK SITE CONSULTATION

As part of a public consultation programme, the London Docklands Development Corporation is to launch an exhibition on Monday, November 28, which sets out proposals for the Southwark site at the former Surrey Docks.

The local people are being asked, through press advertisements and via the LDDC's own newspaper, to visit the exhibition and to comment on the proposals.

You are invited to attend a press briefing, which is to be held on site, at 11.30 am on November 28. The exhibition will be on display and LDDC representatives will be available to discuss the proposals in detail. The briefing is to be followed by refreshments.

Please complete and return the enclosed reply-paid card, indicating whether you (or a nominee) will be attending and if you require transport - a coach will leave Charles Barker Lyons, 30 Farringdon Street, at 11.00 am sharp.
